School Closing Information

In the event school must be delayed or cancelled due to inclement weather, the decision will be made by 6:00 a.m. If the decision is made to delay or close school, it will be communicated to the local media and posted on the district website as soon as possible after 6:00 a.m. Staff, students, and parents are advised to listen to local radio and television stations, as well as to check the district website for current news about school delays or closings due to inclement weather.

If the normal school schedule is followed but there is inclement weather, staff, students and parents are urged to use caution when traveling to school. If a parent decides to keep their child at home on severe weather days, the District supports that decision and will ensure that weather-related absences are excused. Be safe and take your time.
